Keeping your lamp service free

You will incur additional charges if your containers are contaminated, below required weight or for a failed delivery/collection.

To help avoid charges containers must:

- ✓ Be kept in a secure yard on non permeable surface.
- ✓ Be full on collection.
- ✓ Contain only lamps, luminaires or batteries.
- ✓ Contain NO packaging or broken lamps.
- ✓ Be accessible.

To Avoid charges, tell us when you book:

- ✓ Access restrictions to your site.
- ✓ Your site opening times.
- ✓ Any other information that will prevent a failed collection or delivery.

| Minimum charges for each container | Prices per container from |
|-------------------------------------|---------------------------|
| Failed delivery | £120 |
| Failed collection | £120 |
| Wet waste - excessive contamination | £125 |
| Low weight - part full containers | £100 |
| Lost or damaged container | up to £595 |
| Lost RC6/RC8 | £40 |
