Terms and Conditions

Our Collection Point Agreement has changed, please read the following text and click the button to accept. You must agree to the changes to the Collection Point Agreement before requesting your collection.

- The agreement will continue for three years after which it can be terminated by either party giving 6 months written notice
- Charges and payment have been updated - you will be invoiced in the event of loss or damage to containers provided by Recolight, low weight collections, failed collector contamination
- If you cease to collect lamps you should notify Recolight. If you subsequently recommence the collection of waste lamps you must notify Recolight and re-enter a new agree with Recolight

Further information on the above can be found within the Recolight Collection Point Agreement

Recolight Collection Point Agreement

1. General

1.1. This document represents a mutual Collection Point Agreement ("the Agreement") between those companies ("Operators") who wish to operate Commercial Collection Points ("CCP") in the Recolight collection network and Recolight Ltd ("Recolight"), for the collection of waste gas discharge lamps ("Waste Lamps") and/or waste luminaires ("Waste Luminaires").

1.2. This Agreement does not modify or interpret any requirements of the legislation.

1.3. The Operators of the CCPs have the sole responsibility for the running of their sites, including site layout and facilities, the compliance of their sites with any applicable requirements, obtaining the appropriate permits/licences/exemptions relevant to the storage or collection of Waste Lamps and/or Waste Luminaires at the site and ensuring that all containers placed on the site on behalf of Recolight are insured against partial or complete loss or damage and that all costs of replacement, repair and associated activities are met by the Operator or CCP or their insurer.

1.4. For each loss/damage beyond repair of container the following charges will be applied to the Operator:

- RB-19 Container £545
- RC Series £40 per container
- Steel containers £800
- Other containers supplied will attract charges commensurate with the value of the container

Charges will be applied for each container lost/damaged beyond repair and payment must be received by either BACS or Cheque within 30 days of issue of the invoice to the Operator.

Any repairs needed for damaged containers will be charged to the Operator at a flat fee of £150 for an RB-19 container, £25 for any RC series container and
